

## BACV October 2020 Trial Instructions and Guidelines

Belroi Agility Club of Virginia (BACV) has put in place the following procedures for our agility trial at Level Up Dogs Sports (LUDS) for the safety of our exhibitors and adherence to State and CDC requirements and guidelines.

**If you do not feel you can comply with any of these requirements please do not enter our trial, we will look forward to seeing you at a future BACV trial.**

**You are required to sign the covid19 waiver to participate in the trial.**

Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry.

We have reduced the number of runs to **300 runs each day** and limited the classes to Regular Standard and JWW classes only (No premier/FAST or T2B)

There will be no general exhibitor crating in the building. Please bring the necessary items to work out of your vehicle. If you plan on running your vehicle, please park so your exhaust does not go into another vehicle.

No spectators will be allowed inside the building.

One way entry/exit as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings.

Walkthroughs will be reduced in numbers to allow for social distancing. While walking, please be considerate and follow 6' social distancing rules. (**WEAR YOUR MASK AT ALL TIMES**).

A BACV member will let each group into the building to walk, through the Entry door, once the previous group has completed their walkthrough and exited using the Exit door.

There will be five chairs socially distanced to stage the five dog & handler teams inside the building.

### **Please bring with you the following:**

- Hand sanitizer/Wipes
- Lunch, Snack & Drinks (no food will be available and no MACH/PACH cakes are allowed)
- Mask(s) – You must wear a mask at all times in the building. **AT PRESENT WE ARE ASKING THAT YOU WEAR A MASK WHEN RUNNING YOUR DOG** – if this changes, we will announce the change before closing. Workers will wear masks at all times. The judge may at their discretion wear a mask/faceguard.
- Gloves if you wish to wear them.
- **A leash** that fits in your pocket or around your waist or cross body during your run. Per AKC guidelines: “exhibitors may choose to place leashes in their pockets or wear them (around waist, cross body, etc.) during their runs. If the dog grabs the leash, this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it.” A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.
- Phone/Ipad with a camera, or a camera, for taking pictures of the results, course maps etc.
