

CDCA November 24-26, 2023

Preliminary Running Order

This report does not reflect move-ups received after 11/12 at 10 pm

**Agility Gate will have all current move-ups
at some point on Thanksgiving (11/23)**

-depends on how much we eat :O

Please do not panic if you don't see your move-ups processed before then!
I did the printing early before we left for Concord.

**If you think you will miss your scheduled walkthru due to a conflict,
walk with an EARLIER jump height!**

**Running order changes requiring that a dog run
outside of the normal completion of its jump height class
must be approved by the Judge and/or score table**

Please do not wait until the last minute to try to resolve a ring conflict – come see us if you need help figuring it out!

If I didn't space your multiple dogs out far enough – I apologize. Please ask the Gate Steward to adjust their positions. Remember that multiple dogs must run in the posted order. In other words, the first dog may be moved up, or the second dog may be moved down, but they may not swap positions in the running order.

Thank you!

-Jenn
