- Only qualifying scores earned in regular standard and jumpers with weaves will be used in the tally (preferred not included).
- Each "Q" meeting above yps requirements earns 5 points. Each "QQ" in which both runs meet above yps requirements earns a 10 point bonus.
- The score for each dog shall be the cumulative number of points earned over the three days of the trial.
- In the event of a tie, the Sheltie with the fastest yards per second on the final run of the last day shall be named the High Scoring Shetland Sheepdog. If it remains tied, the yps on the first run of that day will be used to break the tie.
