

Concord Preliminary Running Order

Notes:

- 1) Does not have move-ups received after 11/10/23
- 2) OPEN/NOV FAST doesn't show the combined heights – please look at agility gate. Also I missed some adjustments for EX/MAS FAST – will fix once the sheets are up on Agility Gate.
- 3) EX/MAS STD on Friday is 8"-4", 24"-20", 16", 12"

**If you think you will miss your scheduled walkthru
due to a conflict,
walk with an EARLIER jump height!**

If I didn't space your multiple dogs out far enough – I apologize. Please ask the Gate Steward to adjust their positions. Remember that multiple dogs must run in the posted order. In other words, the first dog may be moved up, or the second dog may be moved down, but they may not swap positions in the running order.

**Running order changes requiring that a dog run
outside of the normal completion of its jump height class
must be approved by the Judge.**

Thank you!
