- Groups will be marked clearly on the gate boards
- All other classes will have one walk.

CHECK-IN and MEASURING

Our judge is a VMO. Please allow sufficient time before your dog's run to be measured. Measurements will take place between classes. We will not be using Armband labels at these trials. However, you will need to know your Armband number in order to do an At Trial move-up. Please bring a printed or an electronic copy of your trial confirmation so you will have your armband number with you.

MOVE-UPS

Move-ups must be received by the Trial Secretary in writing (E-mail preferred) prior to 6pm on Monday, Oct. 18, 2021. Be sure that I have acknowledged receipt of your move-up. Please preface all correspondence with "MKC" in the Subject line.

SITE INFORMATION COVID GUIDELINES/PRECAUTIONS

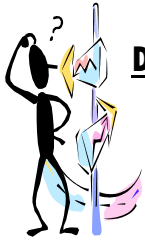

Mattaponi Kennel Club has put in place the following procedures for our agility trial at Walnut Hill Farm for the safety of our exhibitors and adherence to State and CDC requirements and guidelines. Rules and guidelines are subject to change. We will update you with any changes.

- **SCOOP THE POOP**, both at the site and at your motel! Motels are considered part of the show site. They have been asked to report any misbehavior to MKC, including any failure to keep dogs on leash and to clean up after them.
- **LEASHES** - All dogs must be leashed at all times when on the trial grounds except when in the designated warm-up area or when competing on the course. NO FLEXI-LEADS WITHIN 30 FEET OF THE BARN.
- **CRATING** – Limited crating is available in barn stalls on a first come/first served basis. Stalls can accommodate 4-5 crates, but please be cognizant of social distancing. No crating in the aisle. Reactive dogs should be crated in vehicles. MKC reserves the right to require any dog be moved to a different location. Please choose appropriate crating/parking areas for your dogs.
- Spectators are not allowed in the arena.
- Except for handicapped, key Club workers, people with several dogs entered in the trial or heavy rains, parking for exhibitors is in the lower field to help control social distancing and staging near the barn.
- A MKC member will let each group into the barn for each walk. Walkthru groups have been reduced in numbers to allow for social distancing. While walking, please be considerate and follow 6' social distancing rules.
- When classes have multiple walks there will be no 5 minute before the 1st dog runs! Exhibitors must exit the building once their walkthrough is complete. We ask that you wait to celebrate your run after exiting the barn.
- No more than five teams will be allowed in the arena awaiting runs. Teams must socially distance from one another. As one team goes into the ring to run, another team may enter the barn.
- **VOLUNTEERS** - Please sign up to work on the sign up board on the left as you enter the barn. If you would like to sign up prior to the trial please contact:
 - FRIDAY Workers: Janet Kolokowski - agileess@starpower.net
 - SAT & SUN Workers: Becky Grant - becky1grant@verizon.net

All workers will be provided a \$5.00 coupon for the first class they work that can be used in exchange for a box lunch or used at a future MKC Agility trial. Workers who work more than one class will receive \$3.00 coupons for each additional class worked and may be used for entry to a future agility trial. In addition, workers who work the first class and last class each day will be provided an additional \$3.00 coupon.

Please bring with you the following:

- Hand sanitizer/Wipes/poop bags
- **Lunch, Snack & Drinks** – We will not have a food vendor so please plan accordingly.
- **Mask(s)** – Use your best judgment when it comes to masks.
- **A leash** that fits in your pocket (it must not hang out of your pocket at all) or around your waist or cross body during your run. Per AKC guidelines: “exhibitors may choose to place leashes in their pockets or wear them (around waist, cross body, etc.) during their runs. If the dog grabs the leash, this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it.” A leash-runner will be available for exhibitors who do not wish to carry their leash while on course. The plan is to pick up the leash with a tool, and dip the tool in a bucket of sanitizer after dropping it off in the pickup chair.
