CHECK-IN and MEASURING

Early Check-In for Gate sheets will be located in **BLUE BINDER** at the score table. Check-In begins at 7:20 am on all days. We are scheduled to have 3 Volunteer Measuring Officials (VMOs) at these trials. All dogs needing to be measured must be measured **PRIOR** to running. Measurements will take place before each class up in the front room with the practice jump. Remember that our VMOs are volunteers and running their dogs in the trial. Please allow sufficient time before your run for your dog to be measured. If a VMO is not available you will need to be measured by the judge of record prior to your 1st run.

MOVE-UPS

Move-ups must be received by the Trial Secretary in writing (e-mail preferred) prior to 6pm on Monday, June 18th, 2018. Be sure that I have acknowledged receipt of your move-up.

Day to Day move ups (Friday to Saturday and Saturday to Sunday) must be submitted in person to the trial secretary no later than 15 minutes after the last run is judged for each class (STD and JWW). There will be a **Move-Up Binder** with move-up forms inside and a brag list to record new titles or special achievements.
